

Financial Accountant

Multi Wing Czech Republic

Prague Office - Holešovice

We are looking for an easy-going colleague with a comprehensive knowledge of accounting and related regulations, who will be independent, caring, reliable and able to solve problems flexibly and not shy away from non-standard situations. You will be part of our small finance team in Prague office.

Key responsibilities:

- Preparation and processing of monthly and annual financial statements
- Preparation of VAT statements including reports, CSO, income tax and others
- An integral part of your work will be communication with the authorities, the bank, you will prepare analyses and statistics
- You will also participate in the preparation of documents for audits

Required skills/experience:

- High school / university degree in economics
- Minimum 3 years of experience as an accountant / independent accountant
- Experience with an accounting ERP system, ideally AX Dynamics, D 365
- English at a communicative level
- Very good knowledge of MS Office (Word, Excel, PowerPoint, Outlook, etc.)
- Excellent written and spoken English and Czech

We offer:

We're not a corporation. Our company still maintains a very family friendly environment. We pride ourselves on fair treatment, trust, and respect. Our culture is based on trust. Employees can influence the further development of the company, to develop themselves and to meet regularly. We enjoy breakfasts together on Friday.

- Modern office in Prague 7, Holešovice
- Laptop, mobile phone
- Pension allowance
- Meal allowance
- Home office
- Company events
- Personal development

Starting date:

- As soon as possible
